To everyone above thank you so very much for allowing us to come this far with our worthwhile project. When we look at all that has been done in a little less than a year we are so very proud of all the efforts that everyone has made.

It certainly has been stressful but well worth the stress we know that it will be a valuable place for generations of seniors to come into the Eel River Valley and hopefully it will continue to grow for many years to come.

We are truly excited and can't wait until we actually have a set of keys for the front door at 3811 Rohnerville Rd.

Don't forget we are about half way finished and need more funding!

THANK YOU..... THANK YOU..... THANK YOU..... THANK YOU..... THANK YOU..... THANK YOU..... THANK YOU.....

Hope everyone is having a healthy
summer here in Humboldt.

If you pass by our new building you will see that they have started on the outside ground work. We are hoping this will be done by winter. We will continue the inside as soon as we accumulate the funds necessary to open.

I would like to thank Joan Woodcock for returning to our Board and welcome Kathy Findlay and Kevin Johnson to our Board of Directors.

Stay safe and be well.

SAVE THE DATE

We noticed we have lost a number of members in the last couple of years. We realize most of the memorials we have not been able to attend so we would like to remember and pay homage to our deceased friends.

Saturday, September 17 in place of our regular social we will have a Memorial Celebration of Life for these members. We are looking for help with the program .

You may start now bringing in any pictures you have of the friends you have lost during this time.

Thanks to Jim Stanfield for painting a desk that we received from Jan Systervan's Estate sale.

The desk is upstairs and available for use. It is connected to the Internet and also to the office printer.

A TYPICAL MONDAY AT THE CENTER:

The day begins with a room full of men and women doing Tai Chi while others are at the puzzle table putting a selected puzzle together. At 11:00 a Computer class is started usually till after lunch. Afternoon comes with a group playing various board and card games. Today happens to be "Hand and Foot". The rest of the center has the pleasure of hearing the beginning Ukulele beginners strum along (quite nicely I must say!). A room has a group studying French. Once a month on Monday the Book Club also meets here. Finally to finish out the day the advanced musicians are here.... What a fun day to be at the center. Hopefully when we finally have a kitchen facility of our own we will be able to have a little lunch and all 5 of our classrooms will be busy! It is just awesome here!!!

better paid.

The purpose of this letter is to give a special SHOUT-

has been a long spring and weeds really grow. Thank you to
