

Our 2024-2025 Board of Directors

After enjoying the benefits of belonging to the Fortuna Senior Center for the past 5 years and volunteering when I could, it's now time to give back. With my background in accounting, becoming a Board Member/Treasurer, seemed like an excellent way to serve the Center and the seniors in our community.

Volunteering since 2021, to keep ya all in shape with motion, balance and strength. Seatersize" & Tone Zone". Is a new Board Member!

The Fortuna Senior Center is a great asset for our community. I have served as a volunteer instructor for the "Introduction to Computers" class and have assisted with Information Technology support over the last two years. During this time, I have acquired familiarity and experience with the needs of our members and activities of the Fortuna Senior Center. My volunteer experience includes serving as the Logistics Chair for the Humboldt County Walk to End Alzheimer's. My career experience includes more than 30 years as a licensed professional electrical engineer working in multiple technical areas and project management. I appreciate the opportunity to serve on the Board of Directors, assisting the Fortuna Senior Center as it continues on its mission to Enrich, Empower and Involve the Senior Citizens in the Eel River Valley area.

John Schmidt

I have worked in the public service sector my whole working life. Currently I serve as President of Our Saviour's Lutheran Church Council, board member for Lutheran Home for the Aging of Humboldt County, and recently retired from Redwood Community Action Agency where I served as Vice-Chair on the Board of Directors for 12 years. I am happy to be able to serve on the board for the Fortuna Senior Center.

Jerry Murry

Over the years I have been pleased to serve on several governing groups. Each organization needs a small group of people to keep projects moving and to respond to the needs and ideas brought forward. The whole idea of our group is to be an advocate for Humboldt County seniors. As a member of the Board, I will do my best to help in any way that I can.

Having previously served as a member of the FSC Board of Directors and being newly retired from Beverage Plus, I decided to rejoin the Board and be an active participant in what the senior center has to offer. I have been involved with other community groups in Fortuna such as Rotary & Hops in Humboldt and participated in planning, organizing & “working” at FSC special events such as their annual Oktoberfest.

Chuck Dwelley

I am a previous member of the Fortuna Senior Center Board of Directors and, as you can see by the picture, I am an active participant in the bike riding group as well as other activities. Marsha and the Board have made astounding progress over the last few years to provide the best possible home for the Fortuna Senior Center. Who wouldn't want to be on the Board when those efforts are coming to fruition? I appreciate the opportunity to be part of it.

Having just moved to Fortuna but having previously taught at Fortuna High, I am acquainted with many community members. Now as a senior, my desire is to become involved in enriching seniors' lives by sharing my leadership skills. The Fortuna Senior Center has created a multitude of enriching activities which I would like to continue to support by assisting those who attend.

Jack Saffell

My name is Jack Saffell I have lived in Rio Dell for 50 years. I have 4 children and 5 grandchildren. I joined the Senior Center in hopes that aerobics would help me heal and regain muscle tone from a life-threatening bout of sepsis. I have been doing aerobics for a year and a half and I feel great. I joined the Centers Board of Directors in hopes of using some of my past skills to make our Senior Center a better and more thriving community, a home away from home.
